

My Wonderful World and Beyond

P.S.E.D

We will be making new friends and learning how to play and share together. We will also be talking about ourselves and our family and learning our Class Rules. We will learn about our 'Wow Wall'.

Communication and Language

We will be getting to know our new friends, learning to share our ideas and listen to others. We will play lots of games to develop our listening skills.

Physical Development

We will be developing our muscle strength through lots of fun activities at our Funky Finger station and during our finger disco. We will be learning how to care for our bodies and to change for P.E.

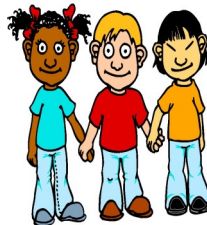

Literacy

We will be listening to and joining in with lots of different stories. Fred the frog will help us to learn our sounds and we will learn to use these sounds to read and write words. We will be learning to recognise and write our name correctly.

Expressive Arts and Design

We will be exploring what happens when we mix colours and using different media and tools to create simple representations. We will be dancing to and singing lots of songs and exploring different celebration music.

Maths

We will be learning to sort and count collections of objects based on their attributes. We will be exploring numbers by counting, comparing, partitioning, ordering and finding the number that is one more or one less. We will make comparisons of sets and make simple repeating patterns.

Understanding the World

We will be learning all about our new school environment and the lives of our new friends. We will introduce our class bear who will help us to explore the world that we live in. We will be learning about different cultures and how they celebrate religious events. We will travel with Astro Girl to infinity and beyond to learn all about space!

Outdoor Learning

We will be exploring and experiencing our school environment including our mud kitchen, building site, sandpit, Rose Cottage, Forest School and Secret Garden areas.
