Please choose some of the activities to complete during this term.

An African Adventure Home Learning

Please share your activities on Tapestry or bring into school as you complete them.
We look forward to seeing them!

Visit the library. Can you find any books about Africa or African animals?

Choose 3 containers. Which do you think will hold the most? How can you check?

Can you fill the containers and use the words 'full', 'empty', 'half full' to describe.

Africa has many famous landmarks. Can you find some information about some of them and write some facts.

Choose an African animal. Look closely at pictures of it. Use paint (or other media you have at home) to create a picture of your animal.

Use a paper plate to create your own African necklace.

This year is the year of the rabbit. Can you find out your Chinese Zodiac animal?

Try tasting some new African fruits such as dates, mango or pineapple.

Go for a walk on a frosty day. Can you spot crunchy leaves and sparkly webs? What else can you see? How is it different to Autumn?

Find the Cosmic Kids channel on YouTube and practise some yoga and mindfulness.

Listen to some African music. How does it make you feel? How is it different from the music you normally hear? How might you dance to it?
