

# Helpful Heroes Home Learning

Please choose some of the activities to complete during this term.

Please share your activities on Tapestry or bring into school as you complete them.  
We look forward to seeing them!

Talk about and make a list of all the heroes who help you. E.g bus driver, refuse collector.

Be a 'techno-detective'!  
How many different electronic devices do you have at home?

Take pictures of yourself being a superhero at home. Maybe you can tidy your toys or help to wash up.

Superhero Physical Challenge.  
How many actions, e.g. star jumps, can you do in one minute?

Make a 'super' fruit smoothie or kebab.  
Which is your favourite fruit?

Go for a walk, use your supersonic vision to see if you can spot any signs of spring.

Use natural resources to make a repeating pattern. For example, stick, stick, leaf, leaf, leaf.

Make, colour or paint a hero.

Make a wanted poster for a villain. It can be a villain you have read about in a book or one you have made up.
