

Extra-curricular homework ideas—Year 3

D&T

Try learning a new creative skill like knitting, sewing, model making or junk modelling

Science

Grow some herbs at home; tell the class about your success.

Active Learning

Go for a walk in the local area; join a local sports club; learn a new sport.

Reading

Visit the library and choose some books to take home and read.

Gloucester Docks

Find out about the history of the Docks and perhaps take a cruise down the canal.

Maths

Improve your weighing skills by measuring ingredients when cooking.

Financial education

When shopping, estimate what the cost of the items will be; work out how much change you should get

Writing

Keep a journal; jot down your activities, thoughts, feelings over time.

Reading

Hear your child read at least 3 times a week. Talk about the characters, the setting and the events.

Gloucester Museum

The museum has free admission and houses one million objects, telling the story of the Roman origins of the city

Geography

Visit somewhere new in the local area, somewhere you've never been before.

Gloucester Cathedral

Visit this amazing medieval building and admire the fan-vaulted cloisters and Great East window; visit the stonemasons who are still carving and casting.
