

# Extra-curricular homework ideas—Year 4

## D&T

Build a time machine - make a model out of construction blocks or recyclable materials

## Science

Investigate dissolving - how much of a substance will dissolve in water

## Active Learning

Take a walk around your local area to see how it changes throughout the seasons. Maybe take part in a local Park Run!

## Reading

Visit the library and choose some books to take home and read.

## Gloucester Docks

Find out about the history of the Docks and perhaps take a cruise down the canal.

## Maths

Keep learning and practising your Multiplication Tables at any opportunity.

## Financial education

Save a small amount of money each week—see how much you can save over a month or year.

## Writing

Keep a diary - write about your hobbies or interests - write a letter to friends or family.

## Reading

Hear your child read at least 3 times a week. Talk about the characters, the setting and the events.

## Gloucester Museum

The museum has free admission and houses one million objects, telling the story of the Roman origins of the city

## Geography

Go and watch the Severn Bore: check [www.severn-bore.co.uk/locations.html](http://www.severn-bore.co.uk/locations.html)

## Gloucester Cathedral

Visit this amazing medieval building and admire the fan-vaulted cloisters and Great East window; visit the stonemasons who are still carving and casting.
