Additional comments

A vast majority of parents only had **very** positive comments about the school, particularly in terms of children's wellbeing, personal development and quality of education. Some parents wanted more information on learning subjects and activities at home, like spellings for instance. There was a comment about improving email communication with regard to dates and there were a couple of comments around recognition of their child.

All these comments have been noted and, as a staff, we will do our best to address them. For instance, we are improving systems in the office to ensure diary dates are double checked periodically. We are also reviewing our spelling scheme as well as remind our staff to continue promoting the 'Recognition Boards', in line with our 'Behaviour and Relationships' policy.

Thank you for your comments as they will help improve areas of the school as well as validate what we feel we are doing well.

Best wishes
