

Attendance Matters (8)

June 2025

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

As we move into the final term of the school year, we would like to take this opportunity to remind all families of the importance of excellent school attendance and good punctuality.

With warmer weather and longer days, the summer term is a wonderful time for learning, enrichment activities, and end-of-year achievements. There are lots of exciting activities planned in the next few weeks across the school - sports week, trips, transition morning, cooking activities, end of year productions to name but a few! Missing even a few days (or minutes) can significantly impact your child's progress and their confidence.

Attendance in Term 6

We understand that sometimes absence is unavoidable due to illness or other exceptional circumstances. However, we ask that families avoid taking holidays during term time and aim to schedule appointments outside of school hours whenever possible.

Moments Matter!

Every minute counts! Did you know that missing just 10 minutes of school each day adds up to over 30 hours of lost learning time per year. Pupils often tell us they don't like arriving late as they 'don't know what to do' and some even tell us that they are 'embarrassed'.

Let's work together to ensure your child finishes the year strong. If you are experiencing any difficulties that may be affecting your child's attendance or arriving on time, please contact their class teacher or Mrs Toppin - we are here to help and support you.

School finishes for the summer holidays on Friday 18th July 2025.

The new school year starts on **Wednesday 3rd September** - We will look forward to welcoming pupils back on this day.
